Re: Homeschool Update

Dear Parent/Guardian;

The Timberlane Regional School District professionals are seeking your assistance in keeping our data accurate and up to date. For the past two years, we are seeing a trend in parents and guardians changing their decisions and not sharing their decisions with the school district. This letter is sent to you to update our records and answer any questions you may have regarding Timberlane Regional School District programs.

The information that we are asking you to complete is enclosed along with a Self- Addressed Stamped Envelope. Please send this information back to the district on or before April 1, 2018. Thank you in advance for your time and attention to this request.

Sincerely,

Susan E. Rasicot, M.Ed.
Director of Student Services
Timberlane Regional School District
