HOME EDUCATION INSTRUCTION (continued)**

Participation in school curricular and co-curricular activities

Regulations regarding the participation of home education students in District curricular and extra-curricular programs are established in Appendix IHBG-R. The Superintendent is charged with establishing such regulations. Consistent with RSA 193:1-c, any regulations shall not be more restrictive for non-public or home educated pupils than they are for students enrolled in the District.

NHSBA Note, September 2012: Amendments to RSA 193-A:3, effective August 2012, remove the requirement that parents provide annual notification to the Superintendent of the parent's intent to home education. A single notification at the commencement of a home education program is sufficient. This provision is addressed in the "Enrollment Procedures" section.
